## JUST LIE BACK

Sometimes a salon treatment is just the boost your skin needs:

### • HOLISTIC THERAPY

Dermalife Spa Jet 2G hydrotherapy spa session includes a deep-cleansing body scrub, mud wrap and a steam bath with nutrients in the mist to help remineralise skin. Colorbath LED technology “harmonises” your energy flow using colour therapy, and a 360-degree Vichy shower soothes skin. Then a hydro-massage promotes circulation. At \$320 for 60 minutes. At Clariancy Aesthetic Clinic, #02-15/16 Raffles Hotel Shopping Arcade, Tel: 6338 2619.

### • REDUCE STRESS

The Energising Deep Thermal treatment, \$300 (120 minutes), starts with a dry massage with a hot stamp using essential oils, oatmeal, wasabi, ginger and white tea, followed by a relaxing massage and an essential oil-rich, algae mud mask wrap. At Leonard Drake Skin Care & Health Spa outlets ([www.leonarddrake.com.sg](http://www.leonarddrake.com.sg)).
